FOONDI LEARNING

Developing Kingdom Champions

Foondi learning division is a subsidiary unit of Foondi Tech whose purpose is to reform education in Africa and the world by offering Bible based digital curriculum that is STEAM focused to train students using Kingdom principles and technology that motivate learners towards building a digital and smart Africa.

Mission

To ensure every African child is born again, spirit filled and discovers their God given purpose and get relevant training to be kingdom leaders in their professional nation of calling.

Benefits

1   From Pre-Kindergaten to University level education, the Kingdom curriculum is online and digitally accessible to any enrolled student worldwide.

2   Classes are offered in smart learning spaces online, hybrid and face-to-face.

3   Parents are engaged in their childs learning and can monitor the progress online. They also get to attend exciting seminars and training sessions on God's purpose and assignments for us in establishing His Kingdom.

4   Teachers get continuous enhanced training in their area of teaching as well as in the latest technology teaching tools.

5   Students undertake projects that encourage scientific research, critical thinking, innovation and entrepreneurship.

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. But shun profane and vain babblings: for they will increase unto more ungodliness.

2 Timothy 2:15

STEAM

S SCIENCE
- Observe
